

UNLOCK GREAT COACHING CONVERSATIONS.

Our unique coaching
programme enabling you to
evidence how you make coaching
conversations work

Coming soon - Summer 2019

institutelm.com

Enhance your coaching conversations

Ideally aimed at leaders and managers who want to develop and achieve recognition for their coaching skills

- No written assignments
- Assessment is based on a real conversation

Our Coaching at Work programme:

Develop your knowledge

Discover our extensive range of multimedia tools and resources to improve your capability so you can develop at your own pace

For the practical assessment submit an audio file of the actual coaching conversation

We assess your performance against our coaching conversation standard

Gain recognition for your achievement

You receive a digital badge demonstrating that you are a leader who coaches at work

Setting the standard for coaching
