

NOT YOUR AVERAGE E-LEARNING.

We're serious about raising the leadership bar. That's why we've built MyLeadership – our flagship e-learning tool.

Your leadership journey
institutelm.com

MyLeadership identifies where individuals and organisations need leadership development

A unique e-learning programme tailored to suit your skills requirements, wherever you are on your leadership journey.

Develop your knowledge

Access our expertly curated leadership and management online resources and tools

Assess your knowledge

Use our Scorecards to test yourself on each of the 49 components of Leadership and identify where you need support.

Gain recognition

Book an online conversation with one of our certifiers who will check your knowledge against our standard
